

Do you want to know how COVID-19 impacts the health of people with **Loeys-Dietz Syndrome?**

Help doctors find out by completing an **ONLINE SURVEY**

Participants who complete
the study will be entered
into a gift card raffle.

The survey will take around **30 minutes** and will help researchers understand how COVID-19 affects different health communities. We will study the impact of rare and common disease as well as sociodemographic factors.

To participate, follow this survey link: https://redcap.link/covid_in_communities

This study is coordinated by NIH scientists: Dr. Beth Kozel (NHLBI), Dr. Robert Hufnagel (NEI), and Dr. Tiffany Powell-Wiley (NHLBI) in collaboration with numerous NIH physicians/researchers and community advocacy groups, such as the Loeys-Dietz Syndrome Foundation.
